

# TELEHEALTH & VISITING SPECIALIST CENTER

Open Door Community Health Centers

707 442-4038, fax 707 442-4039

## Pediatrics Specialist Consultation

The following is a list of clinical conditions which are appropriate for pediatric telemedicine referrals:

Including, but not limited to:

- family dynamics
- allergies
- asthma
- chronic medical problems
- behavioral health including medication management
- general pediatric problems

If you would like to refer a patient with a condition that is not listed, please send your request with the patient's chart notes to the TVSC Office for the specialist's consideration.

It is beneficial (optional) if the patient's provider is scheduled to participate in the last 15 minutes of the consult.
